CPA Examination

MAY 1967

Only once before in the history of the Firm have more H&S offices had successful candidates in a CPA Examination than in last May's exam. The thirty-seven offices range from smallest to largest and from oldest to newest. Nine of the men listed below are in six offices opened within the last four years. □ In competition for the American Institute's Elijah Watt Sells Awards, honorable mention was received by Herbert William Wakeford. Herb joined H&S in Minneapolis after graduating from the University of Minnesota in 1957. In 1960 he left the Firm for experience in industry, but has recently returned to H&S with the Charlotte office.
